

A diagram of a business card template. It features a central white rectangle representing the card. This rectangle is enclosed by a solid blue line, which is further enclosed by a dashed red line. The entire assembly is surrounded by a wide gray border, which is itself enclosed by a dashed green line. The text and lines are color-coded to match the legend: red for the safety margin line, blue for the cut line, and green for the bleed line.

 **SAFETY MARGIN LINE** (anything that you don't want cut to risk cutting off must be inside this line)

 **CUT LINE** (this is where your finished product will be cut)

 **BLEED LINE** (extend the background of your artwork past the Cut Line to this line)
